Audi A6 4.2 V8 AWD Multitronic 2001 Model
Car is mechanically sound, gearbox redone and suspension done in front recently
A fantastic car
Involved in fender bender needs work on bonnet, grill, radiator and left headlight and fender. Car still drives and starts normally.
Paid 50k for the car and spent 20k on the gearbox and about 10k on other areas and the suspension. Looking for 40k pretty.
