If you are struggling to pay your Minibus/MPV Instalment then call me as I have a deposit ready and willing to continue with your car isntalments upto the end and you'll then transfer the ownership to my name when the bank is paid up. Im looking for a good condition low mileage (less than 200 000km) Toyota Quantum or any other big family car that can take more than 8 passengers (preferably a 15- Seater). I will pay both for the instalment and for the insurance and the tracker. Im willing to talk to owners only, no brokers, agents or car dealers. If you are interested in this deal please email pictures of your car to emzansi@gmail
