Bam B22-1 break neck air rifle. Stock standard and brand new in .177 cal. Only about 30 pellets have been through the barrel on this rifle. It's extremely powerful and has the standard open sights. I was going to have the full works done to it but I never got around to doing it, so it has just been stored. Asking R2 500. Contact Paul on 0836991546.
