A Spell to Make Someone Text You and Call You in Kenya – By Dr. Esatu

If you are in Kenya and the person you care about has stopped communicating, do not give up. Many times, silence is caused by spiritual blocks, emotional distance, or negative energy. Dr. Esatu, a trusted traditional healer and spiritual practitioner working with clients in Kenya, offers a powerful communication spell to help reopen the path between two hearts.

This spell works by awakening remembrance, emotions, and spiritual attraction, gently guiding the person to text you or call you naturally, without force.
