MTP (Medical Termination of Pregnancy):[+971559740533] This is the standard clinical term used by hospitals in Dubai for the legal termination of a pregnancy.
ABORTION CLINIC (PILLS AND SURGERY) IN DUBAI, SHARJAH, AL AIN, FUJAIRAH, RAS AL KHAIMAH, ABU DHABI, UAE
Therapeutic Abortion: Used when a termination is medically necessary for the mother's health or in cases of fetal deformity.
Obstetrics and Gynaecology (OB/GYN) Specialists: abortion specialists is the safest way to find doctors authorized to evaluate and perform legal abortions.
D&C (Dilation and Curettage): A specific medical procedure often performed for missed miscarriages or authorized terminations.
UAE New Abortion Law 2024: For users seeking to understand the expanded legal grounds, including cases of rape, incest, or spousal request.
Specific Search Phrases for Dubai
"MTP services in Dubai private hospitals"
"Medical termination of pregnancy UAE legal guidelines"
"Authorized abortion clinics Dubai"
"Early pregnancy termination options Dubai"
"Fetal malformation medical committee Dubai"
As of late 2025, abortion in the UAE is permitted within the first 120 days of pregnancy under five specific conditions: misoprostolmifepristoneindubai.blogspot.com
The pregnancy results from rape or incest (added in 2024).
A spousal request approved by a specialized medical committee.
The mother’s life is in danger.
The fetus has a severe congenital disorder or deformity.
It is necessary for the mother’s mental or physical health (subject to committee approval).
Note: For non-citizens (expatriates), a valid UAE residency permit of at least one year is typically required to access these legal services. Avoid searching for "illegal" or "unauthorized" services, as participating in unregulated procedures can lead to severe legal penalties.
Abortion Pill: The most common general term for medication abortion.
Medication Abortion: The primary clinical term.
Early Pregnancy Termination: Pills used to find abortion for pregnancies typically under 9–12 weeks.
120-Day Rule: A term used to search for the legal gestational limit for permitted procedures in the UAE.
Bomb Cocktail: A colloquial term sometimes used to describe prescriptions using a combination.
MTP Kit: A combined pack of mifepristone and misoprostol.
Mifegest kit: A common brand of abortion pill kit.
Unwanted Kit: Another widely searched brand-name termination kit.
Misoclear: A specific brand of misoprostol.
Mifepristone: The first ***** in the standard two-pill regimen, which blocks progesterone.
Misoprostol: The second ***** used to induce contractions; it is sometimes used alone if mifepristone is unavailable.
