Spell Casting

*White Magic Spell casters like to share their knowledge while Black Magic Sorcerers keep everything secret. White magic, black magic, magic and spells, there are so many things around us right? But when time comes we need to choose one, wherein when pain may occur we like to choose the one which gives us faster relief correct? Lot of my clients do ask me of which one is better white magic or black magic, which one will give you the inset details of what is done and how. Why is it done that way, which one will give faster effects and results? White magic spells comprises or rituals where usage of planetary movements, angels, past life's work are used or exist when the ritual is performed. Black magic spells uses energy that are present during the night time, in other words black magic also denies the law of life and uses energy opposing the law of life.+27717581948

*Magic Oils & Herbs

*Magical oils, are oils that have been infused with herbs or herbal combinations, most often for a specific purpose or ritual. My Magical (or Spiritual) oils have been used in ceremonies for thousands of years. They are often used to anoint the body, candles, and tools; in spells, as a sensory prop or an essential element of the spell's intent, alone or combined with color magic, to turn crystals, amulet, talismans, etc., from mundane items to magical ones. Magical oils are also used in rituals, thru anointing of the body or via aromatherapy. These can lead to ecstatic states or focused energy work. Magical Oils and Herbs are a magnificent spells for the spectacular magical spiritual protection it gives to the caster. They act as a shield to many problem the fore seen ones and those that come uncalled for. In this essence most Protection Spells are cast of these Magical Oils and Herbs.+27717581948
