Full Moon Salt Love Ritual By Dr Esatu

This spiritual ritual is believed to help people who are experiencing relationship problems, heartbreak, distance from a lover, or emotional blockages in love.

Items Used in the Ritual

Natural sea salt or rock salt

A white candle for purity

A glass bowl of clean water

A quiet place under the full moon

Ritual Process

Spiritual Preparation
Find a quiet place where the full moon light is visible. Light the white candle and focus your mind on love and peace.

Salt Purification
Hold the salt in your hands and set your intention for love, healing, and emotional balance.

Water and Moon Energy
Place the salt into the water and allow the bowl to sit under the full moon light for a few minutes.

Spiritual Prayer
Speak positive words asking for love, harmony, and relationship healing.

Closing the Ritual
Thank the spiritual energy and safely extinguish the candle.
