? BLACK MAGIC SPELL ?

Black magic is really very difficult and bad art of the magic that is used to harm other person by sitting at any place in the world. In the black magic the evil spirits are captured by the black magic specialist and they do whatever the black magic specialist commands them to do. If the person is under the control of spirits then the result of black magic is death. The person who are under the possession of evil spirits and really wanted to get rid from those and searching for the solution of how to remove black magic. The black magic can only remove with the help of the black magic specialist. Our black magic specialist is the person who is expert for how to remove black magic and he has removed the really bad effects of the black magic from the affected persons. He performs the black magic worldwide or spells those are really very difficult in behalf of their client. As the witchcraft and the ritual are very difficult so one should always be prepared for it and become a brave hearted. So, if you or any of your family member is affected by the black magic they do consult a black magic specialist make all arrangements as it was [illegible]

? SIGNES OF BLACK MAGIC ?

There are different threads to it. For example, both negative and positive energy are present among us. Some people have the power or ability to use these energies for different reasons - A negative energy can be used as black magic for destruction, taking revenge, controlling someone, etc. On the other hand, a positive energy can be used as a prayer or a healing activity and is used for purification of own soul, letting go ego, etc. and it also sometimes help the sufferers heal from the bad effects of black magics.

Your house or your life can be affected by both - black magic done by someone and negative energies surrounding you and other family members. I'll provide more information on these.

If a black magic is done on you or on your family, the symptoms can be in multiple. Also remember, these magic's are of different types, levels, intensity, etc. so different people will have different experiences based on the level of this magic performed on them.

? COMMON SYMPTOMS ?

Your house will look dull despite of vibrant paints and interiors, your health will deteriorate, your skin glow will diminish, falling sick every often, bad dreams, quarrels between families, plants not growing, expenditures, joblessness for long period, etc.

?MAJOR SYMPTOMS ?

Bats flying, hearing sounds inside the house, falling things, lights can switch on and off, feeling heaviness as if someone is over you, heavy door knocks, major accidents, getting paralysed or bed ridden, terminal illness, family breaking apart, You may notice a general feeling of unease, tension, or heaviness in the air, like a dark cloud is hovering over your home. This can manifest as unexplained anxiety, fear, or irritability among family members.
