If you've been troubled by evil spirits, haunted houses, someone keeps sending evil energy to you, wanted ones/lovers and you've been looking for a construction [illegible] to deal with it, then this is just the ritual you're looking for!
After this ritual, some people may begin to notice a very definite change in the energy surrounding them and their home. It feels lighter, brighter, cleaner and more at ease. This ritual may produce an energy that is soothing and reassuring to humans, but evil spirits find it to be very distasteful and can't wait to get away from it
