Hey there Girls and Guys, are you still in school or university, have a extremely kinky and dominate mind, and would like to put it to good use to earn some money to pay your fees? Well if you dont mind tying a guy with a disability to a bed, placing a plastic bag over his head, and making him orgasm while controlling when he breathes and how long he breathes for while edging his ***** and making him orgasm as much as he can without air, this ad is for you

I am looking for ladies and men who would have me over, tie my wrists to a bed, place a plastic packet over my head with an elastic band, making it air tied and edge my ***** or ***** me, controlling when I breathe, and how long I breathe for.

Rules:
You must have a strong enough and dominant mind to not let my disability prevent you from keeping the plastic bag on my head even when it gets hard for me to breathe

Safe signs will be discussed for letting me have air

5 seconds of air is all I can have until my next orgasm

Payment
You will receive a sum of 100 k for 4 days you have me tied up, and made to orgasm with as little air as possible
