SIGNS OF BLACK MAGIC ? https://write.as/ibra/
There are different threads to it. For example, both negative and positive energy are present among us. Some people have the power or ability to use these energies for different reasons - A negative energy can be used as black magic for destruction, taking revenge, controlling someone, etc. On the other hand, a positive energy can be used as a prayer or a healing activity and is used for purification of own soul, letting go ego, etc. and it also sometimes helps the sufferers heal from the bad effects of black magics.
Your house or your life can be affected by both - black magic done by someone and negative energies surrounding you and other family members. I'll provide more information on these.
If a black magic is done on you or on your family, the symptoms can be in multiple. Also remember, these magic's are of different types, levels, intensity, etc. so different people will have different experiences based on the level of this magic performed on them.
