This one of a kind Jeep Wrangler has been designed and engineered for the ultimate 4 x 4 experience and petrol head enthusiast. Acceleration is 0-100 in 5 seconds. It does not get used off-road however it is more than capable. It has recently been completed by a professional company over a 1,5 year period. Body shape is a 2003 TJ registered as a 2003 vehicle!. All parts have been imported from the USA in 2013. It has a 6 litre V8 Chevy Vortec 2009 model variable valve timing motor installed LY6(similar and more powerful than the SS Lumina car/Bakkie.) The motor produces approx 380Hp standard and over 500nm torque at only 1000 rpm. Approx less than 500 km on the new engine. The auto tiptronic gear box allows gear change in sport mode from the steering wheel. Installed are 4,11 diff ratios which makes this vehicle lethal on the road. It takes skill to drive, not for the faint hearted. Every single piece of stainless steel metal has been customized to the brand of the Badass Edition. 2 inch body lift 2 inch suspension lift Old Man Emu with steering damper/stabilizer 6 inch fender flairs Custom front bumper with winch plate Custom rear bumper with tow hitch Custom Badass rock sliders Custom filler cap Custom door handles Custom moto Metal imported Badass wheels 33 inch imported Micky Thompson Tyres includes the spare wheel 4 x spotlights Zenon head lights Stainless bonnet catches Ceramic
