Needs a new clutch kit and gearbox. We're selling the car because we do not have R15000.00 to fix it and we urgently need another car. The car can be sold for parts as well. The engine is in a very good condition, the front of the car was damaged in a light accident and the left hand rear view mirror is broken - we repaired what we could. R25000.00 not negotiable, we need to buy another car or bike for that.
