The quadbike is not running due to a broken back diff. Apart from the diff the bike is in 100% mechanical condition. There is nothing wrong with the engin, auto gearbox, suspension, frame, tyres etc, all of which can be used for a buggy or spare parts. I want to sell the bike in its current condition to someone that builds buggies with these engines. I may even consider buying a buggie in order to have the engine fitted to.
