Introducing the last of the true ///M cars from the BMW stable. The N/A BMW straight 6 that won engine of the year for six years in a row, directly from the M3. Smaller body with M3 engine, much faster than any N/A M3 (E30,E36,E46,E90,E92). A very rare car in this immaculate condition. Every optional extra available including Navigation, Logic 7 Sound System, Hill Assist, Xenon Lights, PDC and a Carbon Fibre BMW M Coupe spoiler (only one in SA that was imported by BMW). BMW CSL rims were fitted to complete the look. A car cover is also included which is a once off as well (only one is SA that was imported by BMW). FSH with BMW, stock standard engine, never driven hard and very well looked after by a BMW ///M.
