400CC PROJECT BIKE.

Hierdie is n 400cc Suzuki engine, vorige eienaar het gese die engine is nog lopend, ekself is nie seker of engine reg is nie. Swingarm is langer gemaak-van as tot as is die fiets nou 1.16 meter, presies so lank soos n standaars Harley Davidson. Die swingarm is langer gemaak en ook vasgemaak aan die frame, maw dis n hard tail...! Alle sweiswerk is professioneel laat doen op n bank-so alles is reguit en presies gedoen...het baie ekstra parte soos footrests, handlebars, clutch en rem handles, kables, ligte, tail lights, crashbars, tanks, John Deere voorlig, ignitions , en nog baie meer...! Ek kry nie meer tyd om aan die bike te werk nie en benodig die spasie. Maak my asb n REDELIKE offer op die fiets.....geen papiere nie.
