For sale is a Sony PS4 500 GB Bundle including a Sony Playstation 4 console with all of the originally included cords (I bought a new HDMI cord), a PS4 Camera, 2 Controllers, 2 games (NBA 2K16), and (Star Wars Battlefront), a Sony PS4 Gold Wireless Headset, a NYKO PS4 controller charging base, and a PS4 wall mount. The PS4 works perfectly fine, has minor signs of wear, (because of the glossy material, there will be some scratch marks, but this does not affect the console.), and I am only selling it because I don't have as much time to play it anymore. The controllers are both in great condition, recently bought. The games work fine too and play.
