Let's do this again. This is a 2013 jin bei haise with 152000kms on the body. I have now overhauled the complete engine. New pistons , timing chain complete kit, cylinder head skimmed with brand new valves, new fan clutch, new belts, new filters and cooling system flushed . I decided to do this . The body is in a great condition except for a few minor bruises. The interior is still fresh with tread plate floors. I am not owing on this bus. Fully licensed. To view call 0748758624. R.
