2 x Siemens Pro Pocket Hearing aids with remote, we bought these hearing aids for my father just over 6 months ago. They are basically brand new. We paid R 21 000.00 for the set. He was diagnosed with Dementia a few days ago and he is now bedridden so he cannot use them anymore. We would like to sell them for around R 7000.00 just to cover a few costs that is accruing due to his illnesses. They can be set to your specific hearing loss, I do have a place to also recommend if you would like to set them. Please call me. The price is.
