There were great interest in the stand I was thinking to swap but I decided to sell and not to exchange for something else. Its back on the market again.

The people that were interested I misplaced your numbers, here is plot again if you are still interested.

Investment /Buy of the year: Stand at the prestigious peaceful Storms River Village Tsitsikamma on the Garden Route.

I have a stand that is level and 2142m big with a beautiful view of the Storms River Mountains and also with the most beautiful views of the sea close by. Surrounded by houses.

Storm River is the heart from where a lot of activities take place like tree canopy tours, river rafting down to the open sea that makes it unbelievable experience and also world famous Otters Trail. The stand is approx. 4km from World Famous Tsitsikamma National Park.

Price is R350 000 for this 2142m stand in Formosa Street

Note: The stand for sale is the 1st picture. Houses are already built around this stand and across the road.

Monthly municipality fees R50 and that's it , no hidden costs You decide whenever you want to do something with the stand. This is a huge investment because of its location.

my contact nr is 084 952 4782
