Good Day,

I bought a wedding gown in 2007 and didn't end up wearing it as I then found another one. It's a champagne gold color in a bustier style and the tulle for under is included. It is simple and elegant with just enough work but has potential to be blinged up if one prefers. It can potentially be used as a prom dress or ball room gown dress as well. Viewing the gown is most welcome and best way to see. It is a size 6 if I'm not mistaken and was purchased at Bridal Couture which only kept one of each at the time. My contact details are 071 599 3069 and sharfaali@gmail
