I am looking to swop an under-counter LG Tumble Dryer for a Speed Queen Tumble Dryer.
 The LG is in perfect working order and in a brand new condition, a top of the range model with all its manuals, and accessories.

Model is RC9041C32 9kg condensing dryer. New it sells for between R8,500.00 and R10,000.00

I bought it in November 2015, but now have the space for a bigger machine to fit with my Speed Queen washing machine.

I can collect and.
