

## 2007 Audi RS4 Avant Rare Opportunity (53000 R)

Location **Gauteng, Johannesburg** https://www.freeadsz.co.za/x-110859-z

Unique

opportunity: One of very few Audi RS4 Avants in South Africa with very low mileage

Originally, the car is black but it is currently wrapped in an anthracite matt vynil. The wrap, together with the black 19" wheels and mirrors, gives the car an eye-catching look.

The fuel economy is reasonable for an engine of this size. In my experience the consumption is around c. 12-14 l/100km.

Some of the features include:

4.2L V8 engine (309 kW) Four Wheel Drive 6-gear manual gearbox 19― RS4 wheels
