JVC KD-R456 | CD/MP3/WMA Receiver with Front AUX & USB

The JVC KD-R456 features a front USB input for playback of MP3 and WMA files off USB memory devices as well as a front AUX input for other devices. With a wireless remote control, detachable faceplate, rotary controls, RDS, radio timer and more, the JVC KD-R456 isn't your typical entry-level car stereo.
