We are currently selling a Microsoft - Surface Pro 4 - 12.3" - 256GB - Intel Core i5 - Silver

Windows 10 Pro

Windows 10 brings back the Start Menu from Windows 7 and introduces new features, like the Edge Web browser that lets you markup Web pages on your screen.

12.3" PixelSense touch screen with 2736 x 1824 resolution

High pixel density and stunning detail make this screen ideal for Web browsing, studying, reading and streaming HD content. High contrast and low glare reduce eye strain.

256GB internal storage plus microSD slot

Ample storage space for your music, photos, movies and games. Expand storage with a microSD card (sold separately).

6th Gen Intel® Core™ i5 processor

Efficient performance for multitasking, running applications and opening Web pages.

Two 8MP cameras - front and back - for video calls and photos. The back camera has autofocus and optical image stabilization. Record video in 1080p resolution.

Powerful connectivity with USB 3.0

Share files, connect accessories and display content on the big screen with a full-size USB port. Also features a Mini DisplayPort.

Included Surface Pen lets you take notes, doodle or write on the Web
