Product Overview

Witness the entire RCG spectrum brought to life on your screen. The HiSense LEDN49M35P Direct LED TV brings you exceptionally vibrant and true-to-life images delivered just as the director imagined. With 1920x1080 full high definition resolutions, the images are so life-like; it feels like you're really there. 1,080 horizontal lines create stunning details and crystal-clear, vibrant colours to create a brilliantly realistic picture. The HiSense 49" Full HD LED television provides you the flexibility to enjoy not only photos or music, but also HD movie files directly in your TV via USB.

NB: When buying a TV, make sure you have a valid TV License
