2005 Mercedes-Benz C230 Coupe

I am selling my C230 Kompressor. I bought a new car and has no use for this one anymore. Stunning car with lots to offer. I just had the battery replaced on the car. Next service is due in 8000km's. Tyres are still looking good and the car has a full service history. It is a full house and it is the "Face lift" version with the new interior. Everything is working fine. The engine in this model is the 1800cc with supercharger.

Very well looked after, I have had it for 2 years now.
 I want R29000, not.
