I want to swap my Audi 500. The car has a 2.8 30 valve Passat motor. Compression was dropped to 8.3. It has a t62 turbo with a 82 twin scroll housing. It has spitronics efi. Rims and tires in very good condition genuine Audi rims. Leather interior, front seats needs attention. The car has no dents or scratches. New windscreen. New break pads all around And new front break disks. New fuel pump. 76 mm exhaust. HID headlights. New gearbox. New clutch plate pressure plate and thrust bearing. New break booster with master cylinder. Big intercooler. Extra gearbox parts. And many more extras. Have most of the slips to prove. Paper work all in order and on the road and in my name. Car is driven daily about 170 km each day. Swaps of the same value or with cash difference from your side. Would like to swap for civic or uno turbo or WV 19 TDI. No scraps please and cars must drive. Cars must be road worthy and have license. Please phone lan on 0731497232 for more info
