Ok, lets give this a try... considering swopping my bike for a car/bakkie.

Not desperate to swop at all, and bike is not for sale so no offers to buy outright.

Bike is immaculate, licence and paperwork up to date and licence expires May 2017. Tyres perfect, has new back brakes and chain. Nothing wrong at all, everything works.

Never been in an accident or a fall.

Rims colour coded, has a full twin "Two Brothers Racing" exhaust system.

31800km's.

Has all books and owners manual.

Whats out there to?
