Motorhome Fiat Ducato Pacer 2013

This is a motorhome for the connoisseur and in brand new condition. Call it a bespoke motorhome. It has travelled 22,212 km and is unblemished in-and-outside. It has every luxury that you could wish for. It has an island bed in the back and more cupboard and hanging space that even a discerning lady could want. It has a beautiful and immaculately appointed bathroom with washbasin, shower and separate free standing Thetford toilet with ample LED lighting and many mirrors.

It has a kitchen that has everything anybody could wish for including a LG microwave oven, a big Waeco fridge/freezer the size of which can be seen in the attached photos, a Dometic built-in dish washer and a three plate gas stove. It has its own dinner service in a special compartment.

The owner has personalized the interior with colour coded materials which is of the very best quality with no expense spared. It sleeps 2 adults and has been appointed for a couple used to the finer things. The interior has LED lights placed in all the strategic places to create and suite your own mood.

It has a Dometic roof mounted air conditioner that allows you to forget about heat or cold. You create you own ambient temperature. Apart from the roof mounted air conditioner there is a separate air conditioner in the cab.

To make outside living a pleasure it has a Fiamma 45S crank-out awning which is 4.5 metres long with LED strip lighting underneath the awning for the evenings. It has a side panel that may be attached in the event of wind/rain/sun being worrisome. There are many extra plug points in-an-outside.

An Alden automatic satellite tracking system has been fitted on the roof with a flat screen TV inside.

It has loads of packing space in-and-outside that is easily accessible. Apart from the engine battery it

has two 102 a/h batteries to look after all the electronics inside the motorhome. There are two no 9 gas bottles in the kitchen/bathroom/kitchen. There are hood type electric switches for the lights. There is a 2000 watt inverter fitted which charges the batteries when connected to power. There is a 2000 watt inverter fitted which charges the batteries when connected to power. Motorhome Fiat Ducato Pacer

When you have a vehicle like this you have a home from home that affords you total independency.
The motorhome has always had covered parking and a special nose protection covering to protect the interior from the sun. This can clearly be seen on one of the attached.
