I have a great little Suzuki samurai for sale. Strong little 1300 engine, excellent condition 4x4 system with everything in capable working order. Has 15inch off road rims, with larger brand new off road tyres. Has a gear lock. And interior has been rubberised for easy cleaning from a day on the trail. Little thing only weighs 970kg so will take you anywhere the big boys can go. Looking for an enthusiastic new.
