2007 Mitsubishi Outlander 2.4 GLS. Car has 178 000 km on the clock, has had a full service history by Mitsubishi up an till 150000 km, the last service was done by Car Service city. I replaced all 4 tyres last year November, also installed a new touch screen radio and amplifier. The car is in very good condition and in every day use, My reason for selling it is because I need something lighter on fuel. Papers are in order / Cash only . Feel free to phone me or send me a Whatsapp if you have any further Questions.
