Product Overview

Print wirelessly and share effortlessly with the Samsung Xpress M2070FW 4 in 1 Multifunction Printer MFP. All it takes is a simple tap with its advanced NFC technology, Wi-Fi Direct, Google Cloud Print , the Samsung M2070FW printer streamlines workflow and ensures that your office's printing needs are running as efficiently as possible. With printing, copying, scanning and faxing functionality, the M2070F offers flexibility without barriers. A host of innovative features like ID Copy, N-up copy and Scan-to-email equip you with the necessary functionality needed to thrive in the fast-paced world of business.

Equipped with a 600MHz processor and 128MB memory to print and scan your text and images up to 20 pages per minute in brilliant quality. The 1,200 x 1,200 dpi is achieved by varying the dots size and the position of the dot itself. This means you can print in more detail for a smoother and sharper image.

Release the full productivity of your mobile devices with the Samsung Mobile Print App, available for iPhone, iPad, Android, and Windows Phone devices. You can easily print directly from your mobile device to the printer over your wireless network. Unlock your full potential with a mobile solution that allows you

to print images, PDFs, and the full suite of Microsoft® Office documents, including Word, PowerPoint and Excel. You can work faster and take the fullness of advantage of advanced scanning capabilities.
