

Telephone line lightning protection unit (100 R)

Location **Gauteng, Johannesburg**
<https://www.freeadsz.co.za/x-116749-z>

New surge protectors. I have an external unit for phones, faxes, PCs, alarms, printers, etc. Also an internal PC one that fits inside taking up a free slot only at the back. The advantage is that it disconnects the line when the PC is off for extra.
