G19s includes 12 programmable G-keys that simplify complex actions by allowing you to configure up to 36 unique functions across three different modes with three macros per key. With G-keys, instant access to a variety of customizable functions is just a click away. Program G-keys to interact with your mouse to change DPI levels on the fly and instantly switch from lightning-fast speed to pixel-perfect precision. Assign a G-key to open microphone channels and talk to friends through Ventrilo or to record your play on the fly. You can even assign a G-key to send a text broadcast to your team. Harness the power of G-keys to configure single key presses, complex macros or intricate LUA scripts on the fly, and quickly simplify actions to stay immersed in your game and never lose a step, in excellent and 100% working condition, Please call or Whatsapp Ben Mans during Office hours, Mo-Fr 08:00 to 17:00 and Sat 08:00 to 10:00 on 082 9312129, PLEASE Donâ€™t SMS, PRICE NOT
