Just had it custom sprayed with a glitter bloodred and glitter pitch black. Had a major service with cylinders cleaned,new plugs,new oil,new tyres,new air filter and all the cables lubed and electrics cleaned. 60000 km, was serviced every 10000km. Bike has a honda security start system with the chip in original key, rides like a dream and is super nimble with the super light frame ("Ultima Light"). R45 000
