La Lucia Bay Apartment Nr. 4 is situated in the upmarket suburb of La Lucia, Umhlanga Rocks. The apartments are nestled amongst the natural Milkwood Forests of La Lucia on the beautiful coastline of KwaZulu-Natal. A mere 10m stroll from our beach gate, through natural coastline bush you will find a clean tranquil beach, where you can bask in the sun or go for long evening walks.

La Lucia Bay Apartment Nr. 4 offers luxurious and comfortable accommodation with immaculate and elegant interior in sea-side colours, turquoise, blues and ochres with a warm and friendly atmosphere. La Lucia Bay Apartments are a popular haven for business executives and holidaymakers alike. La Lucia Bay Apartment Nr. 4 provides a spacious tranquil home away from home which makes it the perfect choice for your stay.

La Lucia is an upmarket suburb north of Durban between Glenashley and Umhlanga, in KwaZulu-Natal province. With pristine beaches lapped by the warm Indian ocean, accommodating holiday houses and large professional firms. A relaxing retreat for those who prefer a relatively quiet hideaway after revelling in the excitement of its nearby attractions.

La Lucia Bay Apartments are situated near the hub of the new Ridgeside, Umhlanga Ridge and La Lucia Ridge Business Parks. It is less than 15 min. away from King Shaka International Airport, uShaka Marine World and within minutes of La Lucia Mall, Gateway Theatre of Shopping, Umhlanga and Sun Coast beaches, Moses Mabhida & Kings Park stadiums and the ICC are less than 10 min. away.

On the first floor there are three spacious twin/double bedrooms with the main bedroom en-suite and another full bathroom with shower and bath. Two bedrooms have access to their own private balconies.

A stunning open plan on ground floor with reception, guest bathroom, spacious lounge area with colour satellite television and dining room with fully equipped kitchen, outside sitting area with braai facilities and small garden.

Security of our guests is a priority. Secure parking, electric fencing and surveillance cameras are some of the features we employ to ensure this.
