Hercules HDP DJ-Adv G501-Advanced DJ headphones: DJing with style & comfort- Black, Retail Box, 1 year Limit warranty
 Advanced DJ headphones: DJing with style & comfort

Product Overview

The Hercules HDP DJ-Advanced G501 are a pair of closed-back circumaural headphones that feature 50mm drivers and a frequency response range of 10Hz - 25kHz.

Their design is distinguished by the matte black finish and green detailing on top of the ear-cups and headband. The headphones have a wide adjustable headband that fits over the head for extended wear. The closed back ear-cups have leather cushioned ear-pads that form a barrier over the ear. The ear-pads cover the ear for audio isolation and seal the ear to prevent sound leakage. Both ear-cups pivot from three different axes; they rotate 180 degrees and twist horizontally 90 degrees so that you can swivel them for single-ear monitoring.

The ambidextrous coiled cable can detach and be connected to the left or right ear-cup. A 1/4" 6.5mm gold plated adapter is also included which screws on to the 1/8" 3.5mm connector at the end of the cable.

This adapter allows you to connect to audio devices that have a 1/4" 6.5mm plug: such as mixers, computers and
