Hercules HDP DJ-Pro M1001 Professional DJ Headphones, Retail Box, 1 year Limit warranty  
 Product Overview

The Hercules HDP DJ-Pro M1001 Professional DJ headphones with style and comfort are a pair of closed-back circumaural also called full size headphones that feature 50mm drivers and a frequency response range of 5Hz-30kHz.

Their design is distinguished by the matte black finish and blue detailing on top of the ear-cups and headband. For extended wear the headphones have a wide adjustable headband. The closed back ear-cups have leather cushioned ear-pads that form a barrier over the ear. The ear-pads cover the ear for audio isolation and seal the ear to prevent sound leakage. Both ear-cups pivot from three different axes; they rotate 180 degrees and twist horizontally 90 degrees so that you can swivel them for single ear-cup monitoring.

In addition, the headphones fold flat so you can store them in the provided carry bag. The ambidextrous coiled cable can detach and be connected to the left or right ear-cup. A 1/4"/6.35 mm stereo jack adapter gold plated adapter is also included which screws on to the 1/8"/3.5 mm stereo mini-jack plug connector at the end of the cable. This adapter allows you to connect to audio devices that have a 1/4"/6.35 mm

such as mixers, controllers, amps and
