Thrustmaster Ferrari Racing Wheel Red Legend Edition for PS3/PC, Retail Box, 1 year warranty
 Product Overview

The exclusive "Red Legend" edition of the best-selling racing wheel, compatible with the ultimate racing games for PlayStation 3 and PC. With its new official Ferrari-licensed racing wheel, the Ferrari Racing Wheel Red Legend Edition, Thrustmaster has opted for an extremely versatile approach that will appeal to many players. The aim is to offer fans of automotive racing games for PS3 and PC a unique driving experience that truly recreates the unique spirit of the legendary cars.

Compatible with all current and forthcoming automotive racing games for PlayStation 3 and PC, the Ferrari Racing Wheel Red Legend Edition is designed to offer unrivalled efficiency. Its remarkably versatile and ergonomic design guarantees exceptional performance on all tracks, and on all kinds of races. The user indeed benefits from optimum driving conditions, thanks to the racing wheel's comfortable Ferrari red textured grips. The wheel-mounted paddle shifters controlling the sequential gearbox offer unrivalled ergonomics and ease of access; users can shift gears easily and instinctively, while enjoying both comfort and performance. The racing wheel's sensitivity is adjustable, allowing more precise driving. The pedal set has been honed with great care; it enables precise acceleration and braking, thus ensuring perfect cornering on all race tracks. In addition, it boasts an optimized extra-wide design and features 2 pedals with a wide footrest; each pedal's angle can be adjusted individually. Finally, since many victories

are paradoxically obtained through superior braking, the brake pedal offers progressive resistance.
