In everyday use perfect running condition lady owner very well maintained and looked after. Light on fuel and very very reliable did not work hard "no heavy loadings done". Yes the km's is high but that shows how reliable it is. Zero accident damage and all paperwork in order and up to date til next year May. Real head turner with canopy, nudge bar, side bars "all in chrome", smash and grab "also on canopy", cd radio, 17" mags..... Price might slightly be.
