

Spare parts or repair - Camera amp zoom working, LED screen needs repair (150 R)

Location **Gauteng, Johannesburg**
<https://www.freeadsz.co.za/x-122647-z>

Samsung ES80 Digital Camera.

Camera screen broken but the rest of the camera works. So you can take a photo and zoom etc, but you cannot see on the camera screen what you are taking a photo of.

The LED screen needs to be repaired.

There are a few cosmetic scratches from being dropped. The big one being a 1.5mm scratch on the bottom right side.

Zoom and other functionalities all work fine.

Includes camera
