Own a piece of a bygone era. I found these two handmade lace fingerbowl covers in a charity shop. They were framed but the frames were damaged. At the back there was an inscription: "For Barbara Marais. Fingerbowl mat embroidered by Martha Leuner aged about 28 before 1920". I had the mats re-framed and saved the inscription. The framed mats measure 25cm by 25cm each. They are priced at R150 per framed mat or R300 for the pair. They will make a charming addition to a period house or just to conserve handmade items from a bygone era. I am selling them because I am out of wall space but could not leave them in the.
