1st Step:

Garage Detailing And Cleaning: At Justice Garage Cleaners we provide custom garage cleaning packages for 1 car, 2 car, 3 car and 4 car garages. Dusting, Mopping, Power-washing, Drying, Custom machined floor shine, Bacteria removal, and a â€œJustice Garage Cleaners Crewâ€•. At Justice Garage Cleaners we remove the dirt, cobwebs and grim from your garage to give you a sanitized environment. Then comes the face lift of the garage that Justice Garage Cleaners offers: â€œWe take pride in the garages we doâ€•.

2nd Step:

Painting your existing garage walls and painting them with a new fresh color. We ensure your garage walls by taping, sanding, spackling, sanding and then painting them with the color of your choice. Your garage will shine..

3rd Step:

Adding custom LED lighting to your existing single bulb outlets on your garage ceiling. Our LED fixtures give you garage the bright white light it deserves. No more yellow light and not being able to see well in your garage. LED lighting will for sure make the difference.

4th Step: Oh boy your floor is looking a little murky or aged. No worries, this is where Justice Garage Cleaners provides 2 flooring solutions:
