We are an online store and sell direct from our warehouse/shop in Olifantsfontein. We genuinely believe there is a need for this type of trade as this means that we do not have the massive overheads of a shop and therefore can offer our products at much lower prices.

The way it works is you decide on a bed. We then bring a range of 2 or 3 beds to your house. Anywhere in Johannesburg Pretoria and surrounding. You then check them out. If you like it you pay the driver and he leaves it there. Our Vehicles are equipped with speed point machines therefor you can either pay by cash or by card. If you don't like it you tell the driver to take the beds and you pay.
