Z-3101U

For more information and to place orders, visit [technowave.co.za](http://technowave.co.za)

The Zebex Z-3101 handheld laser scanner is designed with a rugged finish by elastic rubber protection and a durable big size trigger for easy operation even for the heaviest usage. It is embedded with advanced decode technology, Ultrascan, to recognize all popular 1D barcodes on the market, including GS1, with superior scanning performance. The Z-3101 has an ergonomical "Aim-And-Shoot" design to use intuitively and minimizes operator training.

- Proprietary Ultrascan decoding technology
- Ergonomic ID design for operation comfort and durability
- Scanning signals of LED light and programmable beeper
- Flexible communications
- Superior scanning performance
- Audio and visual scanning
