Good day :)

Iâ€™m a collector of any old tv games or video games, the system itself or games, broken or working, second hand, used, dirty, dusty, not working, blown, shorted systems, devices or consoles are all welcome. parts, remote controls, cables, accessories, original boxes or manuals of these consoles or video game systems or games, anything at all give me a call. Im based in Gauteng and will pick up in any area. Also willing to ship or courier from other parts of South Africa. No matter how old or how broken you think it is, give me a call, missed call, whatsapp, sms or mail me (preferred).

What Im looking for:
