We are selling our chicken farm with longstanding clientele by selling mostly live chickens . We need to expand because of good demand but we rather want to retire now . This is a ongoing business that needs 24/7 attention and always needs more chickens to sell. There are 7 chicken houses that can accommodate 800 chics at a time. We do a 6 week turn over of +- R 90 000 that must be doubled with potential profit of R 50,000 pm. There is a nice old dwelling, need some TLC with 4 store/workshop room outbuildings, dams, new venue for vegetable hothouse with hydroponic water/fish system [not in production yet], waiting for energetic new farmer. Plus a Small piggery of 10 pigs at a time x3 in 12 months, selling at 1,300 each.

The stand is electricity fenced connected to an alarm system with remote controlled and lots of lights with standby generator power. Good borehole and municipal pipe water, We are in Bonn-Accord area about 15 km from Pretoria
