BRAND NEW. Only used once. URGENT SALE.

Rode is one of the best brands when it comes to recording. This microphone can be plugged into anything with a 3.5mm jack and the option to record externally, like a DSLR, video camera, laptop, etc. The audio quality is INCREDIBLE.

It has a suspension bracket that keeps vibrations on mic from recording, making the quality even better.

Battery life is up to 100 hours.

Selling it, because I have no need for it anymore.
