I am selling my Mazda 3. The car has got 217318km on the clock and had been recently serviced. I have been the only owner of the vehicle and have kept in great condition. My reason for selling is to upgrade to a bakkie as the work I do now requires i have a bakkie. The vehicle has never been in a accident except for the minor scratch here and there. The price is negotiable. For more information you can email.
